AnaMarina

THE FIRST INTERNATIONAL MARINA IN VIETNAM

A co-founding member of the **Ana Marina Yacht Club (AMYC)**

ABOUT ANA MARINA

Ana Marina Nha Trang proudly stands as Vietnam's first international-standard marina, featuring 140-150 modern berths capable of accommodating superyachts up to 45.5 metres in length. Since 2025, Ana Marina has been licensed to operate a mooring area capable of accommodating international cruise ships and megayachts of up to 215,863 GT, marking a significant milestone in positioning Vietnam on the global luxury yachting map.

Developed through a collaboration between local investors in Nha Trang and international experts, Ana Marina meets the highest standards of a world-class marina, from technical infrastructure and operations to customer experience.

With over 3,000 kilometers of S-shaped coastline, Vietnam offers ideal conditions for the growth of marine tourism and yachting. As a pioneering development, Ana Marina goes beyond providing world-class facilities and services, aiming to become a distinctive destination for tourism, entertainment, and the arts, while shaping a modern nautical lifestyle and elevating Nha Trang's presence on the international tourism stage.

Ana Marina is a co-founding member of the Ana Marina Yacht Club (AMYC) as well.

Ana Marina Nha Trang

LOCATION

Located in the northern part of Nha Trang City, a vibrant and bustling coastal destination renowned for its stunning beaches and famous islands, Ana Marina serves as the perfect starting point for exciting and unique maritime journeys.

With favorable weather year-round, both Ana Marina and Nha Trang have become ideal destinations for yacht tourism and marine activities. Strategically positioned between Southeast Asia and East Asia, Ana Marina acts as a gateway connecting Vietnam with regional hubs such as China, Hong Kong, Singapore, Indonesia, Thailand, and Malaysia.

MARINA DESIGN

Ana Marina is designed by Camper & Nicholsons Marinas, a global leader in marina planning and operations. The project is developed with the involvement of international experts, based on in-depth studies of hydrology, seabed conditions, and weather scenarios, ensuring compliance with leading international marina standards.

The marina offers 140 - 150 berths, accommodating yachts ranging from 10 to 45.5 meters in length. Its modern pontoon system is provided by Marinetek (Finland), while shore power and water supply systems are delivered by Plus Marine (Italy), ensuring optimal safety, reliability, and convenience for yacht owners.

OUR PARTNERS

Ana Marina collaborates with leading global partners in the maritime and marina development industry, establishing a strong foundation in international standards, engineering, and operations:

CAMPER & NICHOLSON'S MARINAS

A globally renowned brand with a presence in over 25 countries, responsible for the master design and setting international standards for the project.

MARINA SOLUTIONS INTERNATIONAL (MSI)

Founded by leading UK experts, providing consultancy on marine engineering, construction, and marina operations.

INTERNATIONAL LEISURE CONSULTANTS (ILC)

An experienced consultancy in Asia, specializing in product development and marketing strategy for yacht clubs.

MARINETEK

An internationally recognized brand operating in over 45 countries, supplying high-quality pontoon systems that ensure safety and durability.

PLUS MARINE

A specialist with over 20 years of experience in designing and supplying power and water systems for marinas worldwide.

AMYC - ANA MARINA YACHT CLUB

ANA MARINA YACHT CLUB

Ana Marina is a co-founding member of the Ana Marina Yacht Club (AMYC) — positioned as a strategic connectivity platform linking Ana Marina with regional and international marina networks.

More than a yacht club, AMYC serves as an integrated ecosystem, providing world-class berthing infrastructure while connecting a dynamic community passionate about yachting, water sports, and social engagement.

AMYC supports members with legal facilitation, inspires a modern yachting lifestyle, and acts as a coordinating hub for communications and the organization of both domestic and international yachting events.

Through AMYC, members gain access not only to internationally standardized port infrastructure at Ana Marina, but also to a broader network of partner marinas, ensuring seamless connectivity, enhanced security, and a premium service experience.

INTERNATIONAL ANA MARINA PARK OPENING CEREMONY

M.I.C.E

VIET RALLY is a company specializing in organizing supercar journeys and exploring luxury travel experiences. In 2022, Ana Marina was honored to be chosen by Vietrally as the destination for a travel journey that combines yachts and sports cars. In the future, Ana Marina will continue to develop, not only as a destination for supercars but also for **Super Yachts and Mega Yachts**.

VIET RALLY

The tripartite cooperation signing ceremony between **Ana Marina**, **WiseU Youngsan University**, and **Bluewing Company** (a yacht manufacturing and marine leisure equipment company, as well as the operator of the Gwangalli Marine Tourism & Sports Center in Busan). This agreement brings together leading organizations in the domestic and international resort and tourism industry, with the aim of developing global talent who will shape the future of local tourism and open up new tourism segments. For Ana Marina, this marks a significant milestone, promising expanded career opportunities and ensuring high-quality outcomes for students in Nha Trang in particular, and across Vietnam as a whole.
